Sometimes the safe way only helps the ones who are the problem time to use the power of the Name I gave my self GOD and the risk of all the ones in Service loss of life. Years of the same thing makes it a must for it's now less life loss then using Service Members who turned their back on me and Duties.

Hi all! I just wanted to introduce myself and share a photo I took

I could really use you guys to bring in Heaven I'm in constant contact with people who are holding me up on operation Messiah who are high ranking members. If you and your team could get the proof by using the electronic devices background audio of hit word and searches of the word Blink Blink and use smtp to dump my email sent in to the Agencies on my **gmail.com** account its brown2005591@gmail.com and password is Pdqhyi090@ they have been using what I left here to do this with
